LED "COMPACT" Light Pockets - Replacements

- 1 LED Pockets are supplied in 2x versions = **Landscape & Portrait**
- 2 If you are looking for replacement LEDs, then, we have you covered
- 3 However: lets assume you have (30x LED's already) and you want to replace say 3 or 4x LEDs....
- 4 Just remember the replacements are 'Brand new LEDs, which means, they maybe brighter than your current stock (pending on there age)
- 5 If you still want to replace some but, not all then, buy these replacement LED's
- 6 But, check the actual given sizes, to ensure they match your current LEDs.....
